

## REFURBISHED PRODUCT WARRANTY

Juice Goose has as its only warranty regarding refurbished or blemished merchandise that such products shall display freedom from functional defects in material and workmanship when operated in normal circumstances, subject to instructions and warnings listed in the product's Owner's Manual, for a period of two (2) years from the date of purchase by a reseller from Juice Goose as evidenced by an Invoice, Packing List or similar document from Juice Goose. Circuit boards and electronics are warranted for one (1) year. This warranty is transferable to a repurchaser during this warranty period which begins at the time of the initial purchase from Juice Goose.

If during this warranty period the product should exhibit an operating defect Juice Goose will at its discretion repair or replace the unit in question with a like or better quality unit. Cosmetic flaws and defects and evidence of prior use are specifically excluded from this warranty.

Under the terms of this warranty the warranty holder is responsible for paying costs incurred to return the unit in question to Juice Goose or its designated repair facility. Juice Goose shall pay the cost to return the unit to the warranty holder within the continental United States using normal ground delivery service.

Under no circumstances shall Juice Goose or anyone else involved in the design, production or distribution of its products be held liable for any damages including any lost profits, lost savings or other direct, indirect, special, incidental or consequential losses or expenses that are in any way associated with the use of Juice Goose products.

The warranty and remedies set forth above are exclusive and in lieu of all others, oral or written, expressed or implied. No agent or employee of Juice Goose is authorized to or capable of modifying this warranty. This warranty statement is valid without endorsement or acknowledgement by the warranty holder.
